Dear Families of Randall School,

We want to share our plan for Meals in the Classroom (MIC) at Randall School.

Our goal for MIC is to ensure that students be served healthy and nutritious meals. In order to achieve our goal we have made the following plans in conjunction with our district administration and local health authorities.

Menus: The menus for MIC will be available on the **Randall Website**. Find the "Food Service" page under the "Parents" heading.

Preordering for Meals: Students will preorder meals daily using the Skyward system. Students will preorder in their classrooms. Virtual families may call our Meal Kit Hotline @ **262-537-2964** by Fridays @ 8:30am to reserve meals for the following week.

Location and Schedule of Meals: School meals will be served in your student's classroom. Breakfast and Lunch will be served during each grades designated Lunch period.

Virtual families will pick-up their student's Meal Kits on Monday and Wednesday mornings @ 8:30am at the **Elementary Entrance**.

Cost of Meals: USDA has approved a waiver allowing all students to eat **FREE until Dec 31**.

When this waiver expires the price of meals will be as follows:

Breakfast \$1.95 Lunch \$2.95

Payment for Meals: Payment for school meals can be at the school.

Online payments are also available.

Free and Reduce Applications: Online Applications are available in Skyward

Thank you for supporting Randall School's nutrition department – we are dedicated to serving your children the safest, tastiest and most nutritious meals possible.
